LAST MINUTE CLASSIC WOODEN TOY IDEAS

Quality, USA-made gifts for everyone on your list

Middlebury, VT (December 1, 2023) – Calling all procrastinators! With the winter holidays just a few days away, [Maple Landmark](#), maker of the classic wooden holiday toy, NameTrains, announced that it is offering free shipping on all website orders of \$75 or more. This low minimum purchase, combined with Maple Landmark’s wide selection of wooden holiday gifts and toys, makes finishing your Christmas shopping a breeze.

“Waiting until the last minute doesn’t have to be a cause for stress,” said owner and craftsman Mike Rainville. “Our wooden toys and gifts ship fast and add that ‘Made in America’ sparkle to your celebration.” For orders under \$75, ground shipping is just \$6.95. Confirm estimated arrival times match your needs as you check out. Faster shipping options are available.

“If you have no idea what someone on your list wants, classic toys like NameTrains, a train set, chess or checkers, building blocks or ABC blocks are a safe bet,” said Barb Rainville, Marketing Manager at Maple Landmark. “They are popular with families every year and they truly last for generations. And because all of Maple Landmark’s products are made in the USA, you can trust they were made safely with sound environmental protections in place.”

Maple Landmark’s last-minute gift recommendations include:

- For one month old and up, [wooden teether toys](#) are the perfect answer to those with concerns over toxic chemicals and finishes

- For one year and up, a selection of [wooden building blocks](#) are as safe as they are entertaining
- For two years and up, mix and match an irresistible variety of [little wooden vehicles](#) that are perfect for small hands
- For three and four years and up, colorful [memory tiles games and simple puzzles](#) engage children's developing capacities
- For five years and up, [wooden whistles and stacking games](#) balance fun and mentally challenging activities
